Why this price?

VOLUME

We earn from parcels shipped, not from your fixed fees. No subscription, no setup fee, no minimum.

PROCESS

Our in-house tool runs orders, stock and returns. Wave picking, batch labels, scanned bins: every minute saved lowers your price.

TRANSPARENCY

You only pay for what you use. Shipping at cost with no markup, free storage as long as your stock moves.

Clear prices. You pay for what ships.

PARTNER RATE

Price locked until 31 March 2027

Brands that join us now keep this rate, whatever their volume. No surprise increase, no hidden fees.
